TERMS—2% 10 days, net first of second month following date of invoice to those of known responsibility; otherwise cash or security before shipment. Orders for C. O. D. shipment must be accompanied by one-fourth cash. Packing is charged for at cost in all instances, except bulk carload shipments for which we make no packing charge. Interest charged on past due accounts.

GRADING—We employ the standards of the American Association of Nurserymen in grading our stock.

SHIPPING—Please tell us how to ship your order, whether by freight or express, stating the route if you have a preference. In the absence of definite instructions we will forward it the way we think best, without assuming responsibility. All shipments travel at the expense and risk of the purchaser.

EXPRESS RATES—Nursery stock has been changed from first to second class, resulting in reduction in rates of 20 to 25%.

TRUCK DELIVERY—Truck service to many points is now available; usually faster than freight and the rates are the same. Write us for further information regarding this service.

Many customers prefer to send their own trucks for their stock. This arrangement is very satisfactory because it saves handling, and eliminates packing expense. Please notify us a day or two in advance of your coming so we can have your stock ready for you.

NON WARRANTY—We give no warranty, express or implied, as to quality, life or productiveness of stock we sell. It is mutually agreed that our liability for stock proven untrue to name shall be limited to replacement or refund of original purchase price. All contracts subject to crop.

CLAIMS—All claims for any cause must be made immediately upon receipt of goods. We will not entertain claims which are filed after goods have been accepted or which are not made within five days after arrival of stock.
